

SRI SAI MARKETING ENTERPRISES

SSME is a marketing firm dealing in a wide range of consumer products for both domestic and international markets. Among its key offerings is Labofy Tea – a premium blend of teas from Assam, Darjeeling, and South India.

This blended tea combines the best of three major tea regions, offering a rich taste and exceptional aroma. SSME has secured the exclusive retail marketing rights from the manufacturer, ensuring top-quality tea for its consumers.

Tea Quality and Packaging Labofy Tea is known for its rich brown color and unique feature of being an iron-free tea. The tea undergoes a thorough process where iron particles are removed over six stages, with no additives, colorings, or preservatives.

Packaging Options

10gm sachet | 20gm sachet
